"data": "Subject: Application for Software Engineer Position at Google\nDear Sarah Johnson,\nI am writing to express my interest in the Software Engineer role at Google. With a strong background in computer science and a passion for innovative technologies, I am confident that I would be a valuable addition to the team. I have attached my resume for your review. I would welcome the opportunity to discuss my qualifications further and learn more about the position.\nBest regards,\n[Your Name]",
